My dear Mirza sahib,

Many thanks for youre note and the telegram. I have sent a man to Simla to arrange furniture for Jammu Castle. I have instructed him to furnish one waiting room, one dinning room and two sets of bed rooms on the ground floor. On the second floor one sitting room for H.H. and two sets of bed rooms. There will ofcourse be ample room on this floor for H.H.s pooja and meals &. In case ground floor is preferable for Pooja there will be a spare room down below as well. Kindly let me know if any change is to be made in this, and also if anything else is required, and any other arrangements to be made.

I hope to reach Simla in about ten days time. You might send your man about ten days in advance.

I have heard from Mr Thompson saying that he would postpone dealing with the cases till H.H. arrives in Simla. You must have seen that he will act for Sir John Wood.

Eagerly looking forward to meet you again

With warmest regards

Yours

Ranbir Singh

Your advance party may reach Simla about the 20th instant i.e. about ten or twelve days before H.H. arrives.

There is no need for H.H.to ask me not to furnish the Jammu Castle in an elaborate manner as it is almost impossible for any one to furnish the house nicely as it now stands. So you need not be under any apprehension of that sort. I have alread written to you what I propose doing in it. Any how your advance party can tell us actually what is wanted for H.H.s comforts. Herewith I enclose the so called plan of the house. Perhaps you may be able to make any head or tail of it. I have just outlined it.

I am afraid there are no houses in the vicinity which may be rented. Nor I think there is any use to go to Sa. In the first instance there are three large bed rooms on the ground floor which, in case M.M. lives upstairs, can be used by the staff. This is in the main building. Then there is a small cottage behind which has got, though small, but 4 bed rooms - two on the ground floor and two on the first. This cottage has got no electric light but lamps can be used if [illegible].

Beds for servants, rickshaws and horses will have to hired, but this can be done on the arrival of the advance party.

As to forgive and being forgiven this is a business transaction which can be looked into when we meet

" Misa'b i dosta'n dar dil ".

Ever Yours
